RELEVENT COURSES

CODING CORE
- Coding I
- Coding II
- Computer Science I
- Computer Science II
- Algorithms and Data Structures
- Mobile Interface Design
- Internship

CYBERSECURITY MINOR
- Cybersecurity Foundations
- Security with Linux
- Network Security
- Programming for Security

APP DEVELOPMENT CONCENTRATION
- Intro to Web Design
- Web Application Development I
- Web Application Development II
- Introduction to C

EXTRACURRICULARS

- String Quartet
- String Ensemble
- Orchestra & Cello Choir
- Costuming & Sewing
- Food Service Worker
- Study Abroad

CONFERENCE
Carolina's Women in Computing
Spring 2024
